Jassz Bags

From Function to Fashion

Although best known for its market leading cotton shoppers, the Jassz Bags range offers a full collection of functional and fashionable bags designed to be decorated and customised to meet varied needs from promotions to retail.

What makes our shoppers unique? Their size of course; perfect for quick and easy turnaround in decoration as they come pre-pressed. They're ready to go as soon as you receive them. With up to 50 colours to choose from depending on the style, our cotton bags will bring life to your business. Or if you need something heavier discover our canvas shoppers, ideal from the high street to the beach.

For the environmentally conscious, our range of Organic cotton bags offers the perfect choice. Food markets, groceries, bakeries and even fashion retail will all love these styles which are both practical and responsible.

Practical, reusable, printable and great value, PP bags can be the perfect choice for your actions. When value is the driver, but you still need choice and quality, this range of PP bags brings you a range of styles which offer good printability at a great price.

Looking to attract the fashionistas, jump on the texture trend with our exclusive range of felt bags. Ideal for decoration from print to laser engraving, they'll stay stylish and understated. Or choose the vintage chic of our garment dyed canvas bags, from small shopper to messenger bag, each one is unique. Denim is back too, and our practical shopper ticks all the boxes, with it's fashionable canvas trim and practical front pocket.

Discover the Jassz Bags range and choose your style, for function or fashion.
